

R. Barry McPhillips Scholarship Award

Application Information

The R. Barry McPhillips Scholarship was created in April 2001 in memory of R. Barry McPhillips, a long-time proponent of continuing education. As a first generation funeral director licensed in 1961, Mr. McPhillips purchased the Applebee-McPhillips Funeral Home in 1969. Throughout his funeral service career, he purported that true success was directly proportional to knowledge and continually encouraged all to keep learning. His strong belief in education was second only to his love for funeral service and commitment to families in need.

The R. Barry McPhillips Scholarship Award was created to assist the continuing education efforts of recently licensed and early-career funeral directors. The scholarship will cover all expenses (hotel, registration, etc.) at the NYSFDA Annual convention. The purpose is to provide a forum for new/recent licensees to understand the NYS Funeral Directors Association and to avail themselves of the continuing education programs offered.

The scholarship will be awarded at the discretion of the R. Barry McPhillips Scholarship Committee based on the criteria listed below, a completed application, and the recommendation of a NYSFDA member. The decision of the R. Barry McPhillips Scholarship Committee will be final. The Committee reserves the right not to make this award if there are no applicants or if the applicants do not meet Committee standards. Notification will be made annually on or about July 15th. The award will directly cover expenses for the recipient to attend the NYSFDA Annual Convention.
